Building Equitable Pathways

Bill & Melinda Gates Foundation's pathways work aims to more effectively **support students in navigating key transition points** in a student's education journey **through high school, post-secondary, and then into the workforce.**

Our goal is to achieve a dramatic increase in the number of Black, Latino, and youth experiencing poverty, ages 14-24, who have the **agency, social capital, skills and credentials, and early labor market outcomes needed to thrive in the workforce and life.**

Michaela Leslie-Rule
Senior Strategist
Wonder: Strategies
for Good

Ayele Shakur

The background of the entire image is a dense collage of various photographs from the Aurora Institute Symposium 2019. The photos show a diverse group of people in professional and casual settings, including presentations, networking, and group photos. The collage is overlaid with a semi-transparent blue filter. The Aurora Institute logo, featuring a stylized star and the word 'AURORA', is prominently displayed at the top center in white. Below it, the word 'INSTITUTE' is written in a smaller, white, sans-serif font. The word 'Symposium' is written in a large, white, serif font, centered below 'INSTITUTE'. A thin white horizontal line is positioned below 'Symposium'.

AURORA INSTITUTE Symposium

OCTOBER 25-27, 2021 | VIRTUAL

“Leading Competency-Based Education Redesign”
